WORK EXPERIENCE

People's Bank

2023-2024

Bank trainer

I worked at People's Bank for over one year, where I gained experience in customer service, cash handling, and daily banking operations. I assisted customers with transactions, maintained accurate records, and supported branch activities while ensuring professional and efficient service.

Undergraduate Studies

I am currently pursuing a Bachelor's Degree in Information and Communication Technology (ICT) at the University of Vavuniya. Through this program, I am developing knowledge and practical skills in programming, database management, networking, and software development.

Certificate Course in Computer Science - IT School (2023)

Completed a Computer Science course at an IT school, where I gained fundamental knowledge in programming, computer hardware and software, database basics, and networking concepts. Developed practical skills through hands-on training and projects.

Technical Skills

- MS Office (Word, Excel, PowerPoint)
- Programming (Python / Java / C++)
- Web Development (HTML, CSS)
- Database (MySQL)
- Networking Basics
